Sicilian-Style Coffees

Thats A Nice! (323/644-7533 or www.thatsanice.com) introduces a new line of fresh-roasted gourmet Sicilian-style coffees called Coffee Break. The three flavors available are Buon Giorno, a "wake-up" blend of whole espresso beans; La Famiglia, an everyday family blend ground coffee; and Caffe Earth, a certified-organic, rainforest-alliance ground coffee. Thats A Nice! works with a local coffee roaster that roasts the unique blend of beans in the traditional Sicilian style.

Suggested retail: \$10.99-\$11.99.
