## WHAT'S NEW

July 13, 2005

### **SHELF LIFE** **Mints make nice.**

Is ethnic sensitivity an only-in-San Francisco thing?

A successful Los Angeles purveyor of mostly Sicilian foods introduced After-Garlic Mints at the Summer Fancy Food Show in New York Sunday under its "Thats A Nice!" product line.

Thats A Nice! After-Garlic Mints are \$7.50 per 4-ounce package at [thatsanice.com](http://thatsanice.com).
